## **Spotlight Corner**

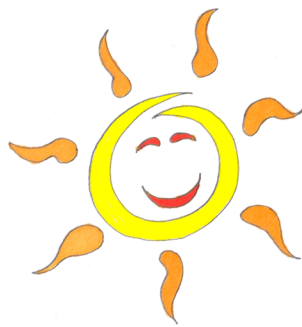

Wow! How time flies when you're learning, having fun, and Praising God!

The fourth graders have been busy researching the patron saints of their passion and future occupations. The students learned about the patron saints of animals, engineers, hunters, baseball, priests, swimming, and physicians.

It has been a great school year! Thank you parents for letting me spend this year with your 4<sup>th</sup> graders. It has been a pleasure and blessing.

Have a relaxing and fun summer!

Sandra Tomek
